

# National Juried Exhibit: Society of Layerists in Multi-Media

## 'Do You See the Arch?'

**Sept. 5-Oct. 27, 2019**

**St. Peters Cultural Arts Centre**

Don't miss this national juried 42-piece exhibit displaying masterful artwork created by artists from around the country!

Society of Layerists in Multi-Media (SLMM) artists were challenged to create 18-inch by 18-inch pieces of art with an element of an "arch" in the painting.

"The artwork that resulted is astounding," said liaison and curator for the exhibit, Shirley Eley Nachtrieb.

The public is invited to view these original pieces while on display at the Cultural Arts Centre.

SLMM serves as an educational society and a network for artists interested in a holistic perspective to their art.
